

MAR-TEK SOLV X 40

Technical Information

**SOLVENT DEGREASER
VERSATILE CLEANER
REMOVES MANY TYPES OF SOILS THAT OTHER
CLEANERS CAN NOT**

Product Description:

Solv X 40 is a concentrated blend of solvents and surfactants designed to remove a wide variety of soils. It is especially effective in removing carpet adhesives from the surface. Removes inks, paint greases, oils, waxes, and various adhesives.

Special Features:

Safe use in many sensitive surfaces. Dilutable in water which makes it more economical than using hydrocarbon solvent type cleaners.

How and When to Use:

May be used straight or diluted with water. May be used in dip tanks, spraying, or wiping. Dilution 1.10 to 1.5 Solv X 40 to water. Best results obtained by agitation.

Packaging:

Mar-Tek Solv X 40 is available in 5 gallon pails or 55 gallon poly drums.

Product Specifications:

Physical State: Liquid

Odor: Citrus

Appearance: Light Yellow

pH: N/A

Solubility in Water: Emulsifiable

Specific Gravity: 0.95

Precautions Summary:

Mar-Tek Solv X40 contains natural and synthetic solvents which are combustible.

Eyes: Irritating. May injure eye tissue if not removed promptly. Flush eyes with cold water for at least 15 minutes and consult a physician.

Skin: Extended skin contact is to be avoided. If this occurs flush thoroughly with water.

Inhalation: Use proper respiratory equipment.

Ingestion: Do not induce vomiting

Flash Point: Slightly flammable. Do not store near open flame or heat. Storage temperature 120°F maximum.

Notes:

Keep out of reach of children. Do not take internally. For professional use only. Please read and understand the MSDS Mar-Tek Solv X 40 sheet for handling instructions, as well as specific health hazard, first aid, and precautionary information.
