169 TECHNICAL INFORMATION

DEGREASER DESIGNED FOR CONCRETE SURFACES REMOVES HEAVY DEPOSITS CAN BE USED FOR HAND OR MACHINE CLEANING SAFE FOR USING PERSONNEL

Product Description:

Mar-Tek 169 is a non-caustic cleaner designed to clean parking lots, driveways, and drive throughs. It is recommended to clean all concrete surfaces, but is especially useful for heavily soiled and oil stained surfaces. Mar-Tek 169 is 100% active so your cleaning dollar is not spent on fillers.

How and When to Use:

For hand cleaning, mix 3 to 6 ounces of Mar-Tek 169per gallon of water, depending on the amount of soil present. Spread this solution on the area to be cleaned by mopping. Apply to dry concrete. At this concentration it will penetrate the pores of the concrete, loosen the soils, and eliminate scrubbing. After the soils are loosened, rinse with a water broom, a hose, or high pressure washer. Heavily soiled areas may take several cleanings to completely remove the soils.

Packaging:

100 Fiber Drum
200 Fiber Drum
400 Fiber Drum

Special Features:

Mar-Tek 169 can be used for hand or machine, cleaning large areas. Mar-Tek 169 contains no free caustic, but is highly alkaline and corrosive to eyes and skin.

Precautions Summary:

Eyes: Irritating. May injure eye tissue if not removed promptly. Flush eyes with cold water for at least 15 minutes and consult a physician.

Skin: Irritating. May cause damage if not removed promptly. Flush thoroughly with water for 15 minutes. Remove and launder contaminated clothing before reuse.

Inhalation: Use proper respiratory protection.

Ingestion: Do not induce vomiting.

Product Specifications:

Physical State: Granular Powder
Odor: None
Appearance: White
pH: 12.3
Solubility in Water: Moderate
Specific Gravity: N/A
Flash Point: Nonflammable.

Notes:

Keep out of reach of children. Do not take internally. For professional use only. Please refer to the SDS mt0169 sheet for more detailed handling instructions and specific health hazard, first aid, and precautionary information before using this product.
